

60x45cm Combi-Microwave Oven, TFT Display Heritage Series

F457HERMWTNE

This Bertazzoni Professional Series 60x45 cm combi microwave has 7 functions. It offers all the benefits of a multi-function electric oven and microwave oven in one. With two levels, it is big enough to cook for the whole family and features two technologies for the versatility of convection, regular or grill-heating modes. The microwave has five power levels and boost function to significantly reduce cooking times compared to a conventional oven. Controlled with metal knobs and a TFT display, there is a soft opening door with a metal handle for ease of use. Available in Matt Black and Ivory with chrome details.
