

## 60 2-segment 3-Burner Gas hob Professional Series

### PM6030X

This Bertazzoni Professional Series segmented cooktop has a combination of gas cooking in two 30 cm segments. The combination is factory assembled for a seamless hob with a single cut-out for ease of installation.

The 3-burner model has a versatile dual-burner segment on the left with rapid and semi-rapid burners on the right. The distinctive gas burners are manufactured in solid brass.

The low-profile design fits the standard cut-out for a 60 cm hob. It has been developed so that it also matches Bertazzoni Design Series appliances.

Products and packaging are 99% recyclable
