

90 3-Segment 5-Burner Gas hob Professional Series

PM365S0X

This Bertazzoni Professional Series 90 cm segmented cooktop has a combination of gas cooking in three 30 cm segments. The combination is factory assembled for a seamless top with a single cut-out for ease of installation.

The all-gas 5-burner model has two segments with rapid and semi-rapid burners, and the versatile dual-burner segment on the left. The distinctive gas burners are manufactured in solid brass.

The low-profile design fits the standard cut-out for a 90 cm hob. It has been developed so that it also matches Bertazzoni Design Series appliances.

Accessories include griddle plates.
